

GREEN PROCUREMENT POLICY

We, at Al-Karam Textile Mills Private Limited, fully recognize and realize the importance of the purchase of recycled and environmentally preferred products in order to minimize environmental impacts relating to our work. Al-Karam Textile Mills Private Limited will purchase recycled content and environmentally preferable products unless such products do not perform satisfactorily and/or are unreasonably expensive.

Consistent with the requirements of reduction of material going for recycling, reuse and to landfills, and the economics of effectively managing costs for solid waste disposal, all Al-Karam Textile Mills Private Limited departments/functions will adopt and promote the use of recycled/recyclable supplies and materials on priority.

In doing so, the Al-Karam Textile Mills Private Limited shall:

- Encourage waste prevention, recycling, market development and use of recycled/recyclable materials through agreements, contractual relationships and purchasing practices with vendors, contractors, businesses and other governmental agencies.
- Adopt waste prevention, recycling and use of recycled supplies/materials as Al-Karam Textile Mills Private Limited's priority.
- Generate less waste material by reviewing how supplies, materials and equipment are manufactured, purchased, packaged, delivered, used, and disposed.
- Serve as a model for the Industry/ region to influence waste prevention, recycling and procurement efforts.
